

# DIABETIC CARE

## A SPECIAL PRESENTATION BY THE UConn Student National Pharmaceutical Association

Please join us as three students from the UConn Student National Pharmaceutical Association Diabetes Initiative will cover the basics of diabetes care, such as: over-the-counter products, herbal medicines, and medication safety. They will go over how to care for common conditions associated with diabetes, the importance of certain vaccines, and what to expect at routine check-ups.

WHEN: Wednesday, January 24, 2018 @1:~2:00 pm

WHERE: LP Wilson Community Center, AP 1 Room  
599 Matianuck Ave., Windsor

Please call Susan Nunes at 860-285-1839  
to RSVP or email Susan at [nunes@townofwindsorct.com](mailto:nunes@townofwindsorct.com)

Please note

This special event will be in place of our regular monthly diabetic support group. There will be no diabetic meeting on January 16<sup>th</sup>.
