

HEART OF FIRST TOWN (Lou Sorrentino-2021)

*In four-hundred years-We have come-to be here
Five Villages-One Town-Since our State-been around
Windsor-Recovery Club-More fun-than a pub
Windsor-Garden Club-Flowers-of love
Black lives-matter here-Welcome all-Come cheer
All colors-We are one-As we stand-in the sun-
First Church- First Town-Since our State - Has been around-
The best-is yet to come-based on what-we have done*

****Chorus* -SHARE YOUR-STORY HERE-TELL MORE-
WHAT IS DEAR?- LET IT OUT-GATHER ROUND-
(x3 WE ARE THE -HEART - OF FIRST TOWN)****

*Windsor-Historical -Society-is our well-
Windsor-Library-and Bart's-Beanery-
Nothing more-Nothing less- than the bold-and the best
We are brave-We are free-We are one family
We are proud-of our town-and the road-we are on
We give hope to the lost-and we will-pay the cost.
When we go-we will know-we are safe – we will show-
Ways of just-ice and peace-Come and join-with us please!!!*

****Full Chorus-x2****
